

Models in the Mountains 2025
Tiburcio Vasquez Challenge Chilao Show (Show on May 3, 2025)
May 2 - May 4 Chilao School, Angeles National Forest
MIM will be a NAN qualifier

Our Schedule:

Friday Art Day

Friday is completely optional. We used to do workshops with Sue Sifton, but in recent years it seems like a lot of us are really, really busy. You are still more than welcome to come and decompress before the show on Saturday. Hang out, bring your art, go for a walk, hike, bicycle ride, fall asleep in the sun, watch birds, unwind. Spend the night Friday night in the school or outside in your own device, be it tent, vehicle or full-on RV. We have five couches and two fold-out mattresses and possibly two air mattresses. Blankets and pillows are provided, or you can bring your own, or both. Showers are welcome to spend the night Saturday as well.

General Information

Models in the Mountains 2025 is a model horse enthusiast's gathering in the Angeles National Forest at Chilao School, a 2,000 square foot vintage 1963 school house owned by the non profit association Redbird.

We are located in Chilao Campground off of Highway 2, 26 miles back in the Angeles National Forest from the intersection of the 210 Freeway and Angeles Crest Highway (2) in La Canada Flintridge. We are located in the heart of the Angeles National Forest, and two miles from the famous Newcomb's Ranch Bar and Restaurant.

To reach Chilao School, DO NOT USE GOOGLE or GPS once you are in the forest..but feel free to Google the location ahead of time so you have a feel for where you are going. GPS often fails as you get close to the location. Follow written directions, and look for signs on the road. From the Antelope Valley/14 freeway, exit Angeles Forest Highway. Proceed over the top of the mountain and down into a valley past Mill Creek campground. Turn left onto Upper Big Tujunga Canyon. Take Upper Big Tujunga Canyon for 9 miles to Angeles Crest Highway. Turn left. Proceed 6 more miles to Chilao Road/Chilao Campground. Follow signs through campground to Chilao School. From the Los Angeles/San Fernando Valley area, take the 210 freeway to Angeles Crest Highway/Highway 2 exit. Turn north, up hill, away from the city, toward the mountains. If you immediately come to Foothill Boulevard you turned the wrong way. Go up the highway 26 miles to Chilao Road. Turn left into Chilao Campground. Follow signs to Chilao Fire Station, across the street from which you will find Chilao School.

Camping - tent, RV, motorhome and sleepover style in the school available.
